

Gerald Desmond Bridge Replacement Project

Caltrans • Metro • Port of Long Beach • US Department of Transportation

Upcoming Closures

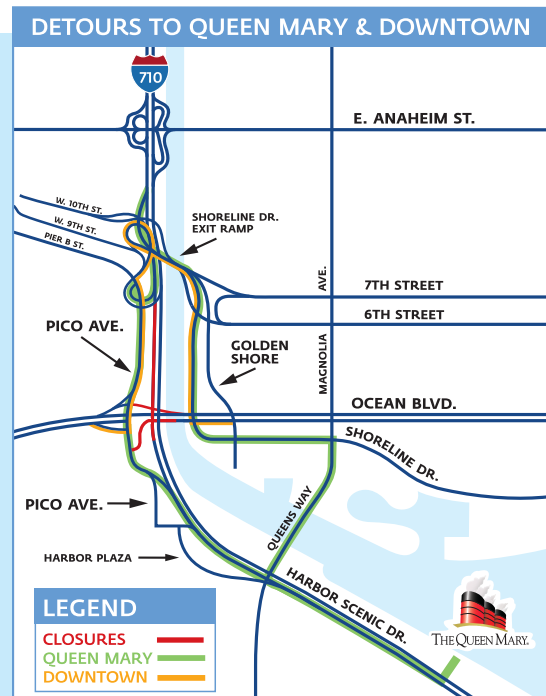

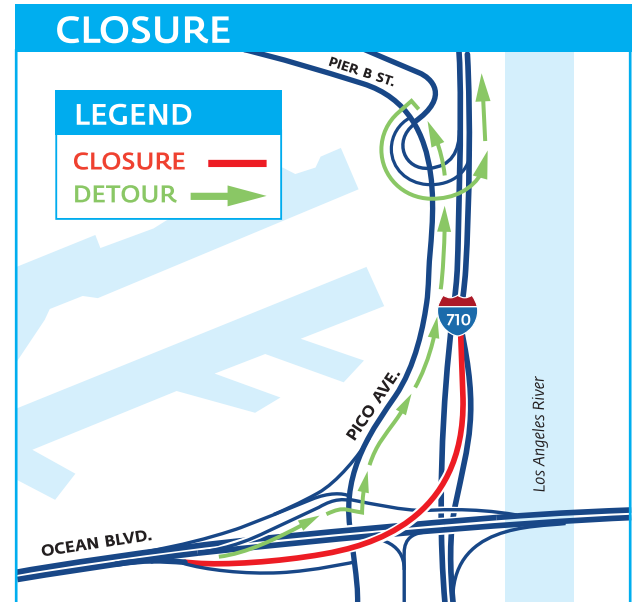

Eastbound Ocean Blvd to Northbound I-710 Connector Ramp

Start Date: June 11, 2018 **Duration:** 12 months*

CLOSURE: The connector ramp from eastbound Ocean Boulevard to northbound I-710 will be closed permanently on June 11, 2018. The ramp will be demolished as part of the Gerald Desmond Bridge Replacement Project to enable the construction of a new ramp, which is expected to be completed in mid-2019.

DETOUR: Traffic traveling on eastbound Ocean Boulevard that is headed to the northbound I-710 will be diverted briefly onto surface streets. Motorists will exit onto northbound Pico Avenue and will drive for approximately one-half mile to the on-ramp to I-710 at Pico and Pier B/9th Street and other northbound destinations.

Traffic headed east into downtown Long Beach will continue to use the current southbound Pico Avenue exit.

Southbound Harbor Scenic Closed July 4-7

Start Date: July 4-7, 2018 **Duration:** 3 Days

CLOSURE: To facilitate the demolition of the northbound I-710 connector ramp.

Primary Detour Route to Queen Mary:

Head south on I-710, take Shoreline Drive, turn right onto Queens Way, then follow the signs to the Queen Mary.

Alternate Detour Route to Queen Mary:

If you miss Shoreline Drive headed south on I-710, exit at Pico Avenue, turn right heading south, turn left onto South Harbor Scenic Drive, then follow signs to Queen Mary.

Detour to Downtown Long Beach:

If traveling east on Ocean into the city, exit at Pico Avenue, turn left headed north, turn right onto 9th Street, continue on 10th Street, then take the downtown on-ramp onto Shoreline Drive.
